Financial Accounts

GB fed back to the team regarding the group's bank account status. He has all the forms required for the changeover and only needs the signature of ML to finalize this. He has also stated that the group will now have an online account to be set up for accessing statements easier for reviewing at the meetings.

CQC Visit 2018

Arron has relayed to the group that the practice received their second CQC visit within the last 18 months. The visit was on the 25.4.18, and was performed by an inspector, nurse and GP, there visit was for all day and the practice was given two minor points to review which were done at the time of the visit.

All of the group praised the practice and informed us that they had all given feedback to the CQC with the review cards provided. Arron has informed the group that the completed report will be available on the website as soon as the practice is notified.

Update On The Housing Plan For Warsop

Arron has inquired whether there is any news on the proposed plan for new housing in the local area; GB has informed the group that the permissions and appeals could take up to twelve months before being agreed upon. This is from recent news via the local council's website.

Patient Survey

The question of the patient survey has been raised, at the moment no individual member of the group wished to start this at the present time. The question of man power was raised; recruitment to the group was given in response as a solution. The group have taken on that new members are welcomed. One member of the group suggested a patient that took and interest, this individual was encouraged to bring them along to the next meeting.

Other than this no action was taken in regards to starting the patient survey.

Next meeting has been arranged for Thursday 5/7/18 at 2:30pm.

Meeting Closed.
